

## Speak-Up Stems

I agree/disagree because \_\_\_\_\_.

I believe \_\_\_\_\_ because \_\_\_\_\_.

I've changed my opinion on this because \_\_\_\_\_.

That reminds me of/seems similar to \_\_\_\_\_.

What I think I heard you saying was \_\_\_\_\_.

Can you explain how you arrived at that position/solution/conclusion?

What assumptions, values, or beliefs is your position based on?

Have you considered \_\_\_\_\_ (an alternative viewpoint, solution, angle, or data set)?

I'm not sure I follow you. Can you clarify your reasoning for me? Or give me an example?

Can someone help me understand \_\_\_\_\_?

To expand on what \_\_\_\_\_ (name of person) said, \_\_\_\_\_.

An example of that might be \_\_\_\_\_.

It seems like the most important point here is \_\_\_\_\_.

So, to summarize so far, \_\_\_\_\_.

If we put these ideas together, \_\_\_\_\_.
